Compared to last sale: Steers under 500 lbs were too lightly tested last sale to develop a full market trend, however higher undertones were noticed. Steer calves over 500 lbs sold mostly 5.00-10.00 higher on a higher quality offering. Heifer calves sold generally steady in a narrow comparison. A large portion of the offering this sale was weaned. Most calves were weaned 45-60 days. Quality this week was mostly average to attractive and overall much more attractive than last sale. Demand was mostly good to very good for light to moderate offerings. Most weaned calves offered buyers two rounds of vaccinations and sold on good demand. Package sizes were moderate today and overall larger than last sale. No load lots were seen today, however several partial loads were seen. Market activity was mostly active with active bidding seen from buyers. Weigh up cows and bulls were too lightly tested to develop any market trend. Demand was moderate for light offerings. Packers showed stronger demand today as they pushed to fill loads from Wednesdays sale. Young age cows sold on light demand today. All young cows sold with lower undertones. Supply included: 95% Feeder Cattle (50% Steers, 49% Heifers, 0% Bulls); 3% Slaughter Cattle (89% Cows, 11% Bulls); 2% Replacement Cattle (100% Stock Cows). Feeder cattle supply over 600 lbs was 37%.
